The "Alleghanian" is the year book of CFHS. It is a pictorial review of the students, club pictures, and the athletic pages. It is published every May for \$3.50 a copy. For the past four years the book has been lithographed to cut down publishing costs and also enable the use of more pictures and diagrams in it.

The staff consists of twelve students from the high school, half of them on the business staff and the others on the editorial staff. The annual is financed by subscriptions, advertisements and fees for the club and athletic pages. Also there are boosters from interested patrons.

The "Mountaineer" is the weekly newspaper of CFHS, published every Friday. Because the paper is mimeographed, it costs only sixty cents per school year.

The paper contains many interesting features including a coverage of all school activities: sports, social events, club activities, the latest gossip, and timely editorials. Seniors are introduced individually to the student body in one of the extra features.

The office of the paper is in the cubbyhole projection room on the second floor. Here all the work of editing the paper is done.

It is also active in school and gives us an annual Christmas dance and an assembly program each year.

Members of this organization are sent each year to the Model General Assembly held each spring in Richmond.

As far back as 1858, the high school YMCA was the forerunner of the HI-Y and TRI-HI-Y Clubs in America,. The organization of clubs of high school girls in the YMCA began during and immediately following World War 1, in several sections of the country under various names.

In 1944, TRI-HI-Y Clubs were officially recognized by the National Committee on Work With High School Youth, and since that time have been an integral part of the National HI-Y Fellowship.

The purpose of the TRI-HI-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. The platform is: Clean Speech, Clean Sportsmanship, Clean Scholarship, and Clean Living.

The pin is a small triangle with "TRI-HI-Y" in the corners and a torch inscribed in a circle in the center. The triangle represents the entire personality --mind, spirit, and body. The circle indicates the completeness of Christian life; the torch, the mission expressed in the club purpose.

Believing that creditable student effort and achievement should be encouraged and recognized, and seeking to cultivate the ideals of character and proper leadership in the citizens of tomorrow, the faculty and students of CFHS have instituted a local charter branch of the National Beta Club in our school.

The membership of this club is limited to high sophomores, juniors, and seniors who are consistently on the scholastic honor roll and have been elected by the club members and approved by school authorities.

To be a member of this club is recognition of leadership ability, high character, and scholastic achievement.

The DE Club is an organization for students enrolled in Distributive Education classes. The purposes of the club are to create an interest in Distributive Education; to help students make an intelligent choice of occupations; to familiarize students with the life and habits of the business world; and to provide social outlets through state and national meetings and recreational activities. The students of Distributive Education learn how to advertize, to recognize the qualities of merchandise, and to present and judge displays. They also learn store organization, stockkeeping, and the importance of bringing satisfaction to the consumer, as a trained, experienced worker.

The Chemistry Club was organized last year under the guidance of Mrs. Graves to promote interest in science in our school and community and to better understand the importance of science in our lives.

The meetings are held once a month during class. The aim of the newly organized club is to help them become a part of the activities of a national organization.

Some of the activities of the club were leepong a good laboratory, indexing and filing literature, and visiting local places of interest.

A new federation was organized this year. It was named the "B3C's". Federation meetings are held every three months.

Each year the FHA takes part in the National Christmas Festival, has a Mother-Daughter Banquet, and observes national FHA week. This past year the club sent a parakeet to the Veterans at Roanoke Hospital as one of its projects.

To make money for its projects the club holds bake sales etc.

Any student studying Latin, wishing to keep alive this heritage from the ancients, may become a member by joining the club and paying the affiliation fee.

He remains identified with this national organization so long as he retains his membership card and preserves his interest in the furtherance of this endeavor, enriching the literary grasp of his times.

"EIGHT AND ONE"

The Mountaineers had a very successful season in '54. They were undefeated and unscored on in eight games. They were the only team in the history of the conference to go unscored on in all of its conference games.

The team started the year with eight returning lettermen. Coach Jim Laughlin, returning after a years absence, worked the boys very hard and got them into good shape for the first game with the Central Falcons.

Clifton Forge rolled over the Falcons 42-0 for an impressive victory. Richard Smith made the opening touch-down followed by TDs by Gorman, Wood, Truitt, and Duane Shelton scoring two.

In the second game of the season, the Mountaineers smothered a heavy Harrisonburg squad 25-0. Smith passed to Sonny Broughman for the first score. Bayne, Shelton, and Smith made the other TDs. The hard charging line of Clifton Forge held the Blue Streaks to a total of 64 yards.

The Waynesboro Little Giants were soundly trounced 37-0 by the Mountaineers. In a very muddy contest, the defense again shined and held Waynesboro to 48 yards rushing, while Shelton, B. Bayne, Truitt, Smith, and Gorman scored.

The confident Mountaineers again won as they thumped Valley High 37-0. In a very hard fought game. The offence, though heavily penalized, gained 296 yards with scores by Smith (2), Broughman, Shelton, B. Bayne, and Gorman.

Natural Bridge cancelled their game with the Mountaineers after several postponments.

Duane Shelton, scoring 3 times, started as the Staunton Leemen were swamped 40-0. Truitt made 2 TDs and Gorman 1. The defense was again outstanding.

Undefeated Buena Vista met the Mountaineers and lost 52-0 for Clifton's sixth straight win. Shelton scored 3 TDs with Smith and Adcock getting 2 apiece.

Once again Clifton Forge kept its record clean as it defeated Lexington 26-0. Shelton, B. Bayne, and Smith scored.

The Mountaineers overran Montivideo 40-0. Shelton, B. Bayne, Smith, E. Bayne, and Clemmons scored. The defense was outstanding and held the Maroons to 76 yards.

In their final game of the season, the Mountaineers lost to the Covington Cougars 34-18. With Duane Shelton and Elwood Bayne injured most of the game, the team seemed to fall apart. Shelton scored the first TD. Bill Gorman, taking Shelton's place played a great game.

Guard Bill Moss, Tackle Elwood Bayne, and Fullback Duane Shelton made the all-conference first team, with Eddie Truitt landing on the third team and Eddie Meadows on the second.

FOOTBALL SNAPSHOTS

CHEERLEADERS

At the beginning of each school year two cheerleaders are elected from each class. According to the district rules there can only be eight cheerleaders during football season and six during basketball. When there can only be six the cheerleaders rotate.

These girls try out in front of the faculty and then in front of the student body, who vote on them.

Besides attending all the football and basketball games the cheerleaders do much more. For a number of years now they have been completely in charge of Homecoming. For the first time this year the cheerleaders decorated for the Football Banquet.

Cheerleaders for the 1954-55 season are:

Seniors: Ruth Hawkins (Head Cheerleader) and Debbie Thompson

Juniors: Kaki Payne (Assistant Head Cheerleader) and Donna Kaelin

Sophomores: Anne Via and Dottie Morris

Freshmen: Sarah Rumpf and Carolyn Picklesimer

The C.F.H.S. Mountaineers did very well in basketball this year. For the third straight time they have gone to the tournament. They won 15 and lost 6 for the season.

The first game was with Covington. We were victorious even though we had little practice. The score was 64-35. The next game was with the alumni. This game they lost, 70-45. They then played Buena Vista beating them 63-50.

In the Waynesboro game, Richard Smith led the team with 34 points. This broke the record of the school, set by Morgan Owen last year. They easily won this game, 70-30.

They lost their next game 58-62 to Buchanan, but came back to beat Wilson 68-37. From here on for awhile they were up and down. They lost to Lexington, beat Staunton, Central and Buchanan; lost to E.C. Glass. They then beat Natural Bridge 73-53 and Buena Vista 83-41, and lost to Wilson Memorial 46-49 in the last part of the game.

At Natural Bridge the Mountaineers won 67-43. Clifton Forge now on a five game winning streak, beat Staunton, Lexington, Central, Waynesboro, and Covington.

The Mountaineers ending up 2nd in the district, drew Lexington in the tournament. They won 52-39 with Richard Smith playing one of his best games of the year. They lost their next game with Warren County 51-71. The Mountaineers played in a consolation game with Broadway losing 54-70.

Tommy Clemmons did a good job in the Lexington game by holding down Chittum, Lexington's threat. In the Central game, Central tried to hold down the score by freezing the ball. The Covington game was close all the way. This was the most exciting game of the whole season.

With six returning lettermen, Coach Siple's well rounded sextet started off the season by defeating Covington 42-37.

In regular season play, Clifton Forge twice defeated Covington, C & O Nurses, Buchanan, Wilson Memorial, Central, and Natural Bridge. Also, Craigsville which they played once and defeated.

For the first time in many years, the Mountainettes defeated twice the usually tough Wilson team with a 64-44 and 45-35 victory.

SENIOR POEM

Various hardships, trials, and joys,
Place us where we are today;
But halt not here, nor falter,
For our span's too short to stay.

We're leaving now, you're going too;
To be captured in memory's sweet store;
The dances, the classes, and all our friends,
And more, yes, a thousand times more.

Let us reflect our humble thanks,
To those who have seen us through,
We'll always do our very best,
And we'll always remember you.

So when we finish life's hard school,
And our tests are scored one by one;
May we hear the greatest Master say,
"Well done, my child, well done."

Marvin Scott
